

Presidents report June 21<sup>st</sup> 2015

Welcome everyone to our June meeting.

This year has seen us change our name to a more appropriate and less confusing name.

We are now registered as **Riverina Marriage Celebrants Association Inc.**

This process took some organizing because of the timing of our meetings and probably an extra \$47.

Action: I have handed all of the invoices to Ros our treasurer to be itemized for the treasurers report. My apologies for not getting them to Ros.

CoCA and AGD's meetings 27<sup>th</sup> and 28<sup>th</sup> April 2015.

Bev Shaw and I attended the CoCA meeting on 27<sup>th</sup> April and the meeting with the AGD on 28<sup>th</sup> April. We had a busy 2 days .

Action: I have handed some copies of each of the meetings minutes and these will be added to our web page.

Len has written a very interesting letter to members of the group.

Action: Len spoke passionately about his letter and all of the group had input in this discussion but cannot see a solution in site.

It was pointed out that BDM fees for weddings on Saturday's and P/H is \$510.00. So why would we as Celebrants go under this.

Members of CoCA Member Associations and CAL

Action: Members of CoCA members associations can receive a discount on licences. CAL licence are now due so names for CAL need to be in before the end of July so that we can get them to Rona via CCN.

Barry to give talk about website.

Action: As always Barry was extremely informative and helpful to those of us that struggle with technology. It was a benefit to have the overhead and the wifi capabilities to show us how things are done. Barry is more that happy to help members with any problems that we may have.

He and I encourage ALL members to jump in the site at least once a week to just; if not for anything else than to familiarize yourself to how it works, because the more you do it the less time it will take you to do it.

Thank you Barry.

I encourage everyone to log onto the AG's website regularly as things change and we don't always get told.

We will do another email around and try to encourage the newer celebrants to join our group.

Thanks everyone for attending. Until we all meet again. Cheers.

Marion
